It shall be the duty of the Zoning Officer to issue a Zoning Permit, provided he is satisfied that the structure, building, sign, parking area of premises, and the proposed use thereof, conform with all requirements of this Ordinance and that all other reviews and actions, if any, called for in this Ordinance have been complied with and all necessary approvals secured thereof.

All Zoning Permits shall be issued in duplicate and one copy shall be kept conspicuously on the premises effected, and protected from the weather, whenever construction work is being performed thereon. No owner, contractor, workman or other person shall perform any building operations regulated by this ordinance of any kind unless a Zoning Permit covering such operation has been displayed as required by this Ordinance, nor shall they perform such building operations after notification of the revocation of said Zoning Permit.
